Killarney Record Fair Returns in 2018 Following Successful First Year

More than 400 people expected to crate dig for vinyl gold at second annual record fair

Calgary, AB – The second annual Killarney Record Fair returns to Calgary **Saturday, August 25, 2018** following an extremely successful first year that saw nearly 400 attendees in 2017. **From 11:00 a.m. to 4:00 p.m.** the basement and main floor of **St. Matthew's United Church (2035 26A Street SW)** will fill with vendors offering up a wide array of music on vinyl, compact disc and cassette tape. Cost of admission is just \$2, and free for children 12 and under. The one-day event features even more vendors than last year, including notable local vinylphiles [Beatnik Bus](#), [Lockbox Record Club](#), and [The Calgary Music Collectors Show](#).

Having received such a positive response from both vendors and attendees – who queued outside the door prior to the opening of the inaugural Record Fair in 2017 – space on the main floor of St. Matthew's United Church permitted the addition of more new tables and vendors, offering an even wider selection of goods than last year.

"We're excited and ready to go for year two of the Killarney Record Fair", says Lonnie Taylor, one half of the YYC Vinyl team. "We were stunned by the enormous response our inaugural show received last year – patrons lined up in advance and nearly 400 people came through the doors in just five hours, filling the venue throughout the day. We had so many great interactions with vendors and attendees alike, which is really why we're doing this – to share our love of vinyl collecting with others and see the community continue to grow."

The second annual Killarney Record Fair takes place **Saturday, August 25, 2018** at **St. Matthew's United Church (2035 26A Street SW)** from **11:00 a.m. to 4:00 p.m.** Off-street parking is available behind the church, with additional street parking where posted. Admission is \$2 and free for those 12 and under. **Please note that only cash will be accepted at the door and there is no on-site ATM.**
